Fall Session - 2018

Monday

Soccer Skills Clinic

Students will be provided with individualized soccer skills training by the coaches at vonEgypt Soccer Academy founded by SDSC alumni and professional soccer player, Nick vonEgypt. This clinic is designed to help students at any level improve their skills on the soccer field! Each student will receive needs-based, personalized, dynamic and fun training. Students should bring sneakers/gym shoes to school.

Grades: K-3 (Minimum 10 students; Maximum 15 students)

10 Classes: 10/1, 10/15, 10/22, 10/29, 11/5, 11/19, 11/26, 12/3, 12/10, 12/17

"Mad Science: Super Science Sampler"

During this Super Science Sampler, students will experiment with robots and robotics, learn about telecommunications, and discover alternative energy sources. Our "Mad Scientists" will feel the force of energy, the pull of gravity, and the might of motion in three exciting physics explorations. They will also explore the wonderful world of animals. Classes consist of hands-on, inquiry-based investigations and include fun take home projects!

Grades: 3-6 (Minimum 10 students; Maximum 20 students)

6 Classes: 10/15, 10/22, 10/29, 11/5, 11/19, 11/26

Tennis Lessons

Tennis Pros from Taconic Sport and Racquet (TSR) will teach students the basics of tennis right here at SDSC. No need to drive your children to a separate tennis facility! In addition, TSR is discounting the cost from \$30 when held at their facility to \$10 a session here at SDSC. All equipment will be provided. Students should bring sneakers to school and are welcome to bring a racquet if they have one.

Grades: 3-6 (Minimum: 5 students; Maximum 10 students)

Tuesday

Sew Happy!

Join Sew Happy and learn the life skill of sewing. Proudly show your ice cream-themed projects to friends and family. This program starts by teaching the basic techniques of sewing (like threading a needle and tying a knot), stitch types and buttons. Sewing is great for hand-eye coordination, fine motor skills, focus and concentration!

Grades: 3-6 (Minimum: 7 students; Maximum 12 students)

10 Classes: 10/2, 10/9, 10/16, 10/23, 11/6, 11/13, 11/20, 11/27, 12/4

Musical Theater: Fall Production

Aspring Tony Award winners will learn all aspects of staging a musical theater production! This program brings together the disciplines of singing, acting, and dancing as the students work together to create their own theatrical production. Students will learn stage presence, projection, diction, choreography, set design, sound, lighting and more. Fall Musical Theater has roles for students in Grades 1 through 8. For this production, lead roles will be given to students in Grades 1 through 4. Students in Grades 5-8 will be cast in supporting roles, given leadership positions and assigned to mentor our younger performers.

Grades: 1-8

Classes will meet Tuesdays and Thursdays. Times and schedules will be announced.

Auditions: Grades 5-8—Monday, September 24 @ 3:00 p.m.; Grades 1-4— Wednesday, September 26 @ 3:00 p.m.

Improv Troupe

This class is all about FUN! What is Improv? It's creating something on stage using nothing more than an idea or suggestion, and imagination. Students learn to build scenes and stories with other players, on the spot, right off the tops of their heads! Improv is not only fun, it builds confidence, creative thinking and public speaking skills. The Improv Troupe will perform for students and parents. (Dates TBD).

Grades: 5-8

Classes will meet alternating Wednesdays. Times and schedules will be announced.

Auditions: Friday, September 28

Thursday

LEGO Club

This is a fun, hands-on, social program where we encourage children to use their imaginations and put their skills to use! Each session will have a theme, free play, and some will have games and group challenges. This year, LEGO Club will be offered in three separate sessions of ten classes each. This format will permit a larger number of students to participate in this popular activity and also provide a better instructor to student ratio.

Grades: K-1 (Maximum 15 students)
