### Please Pray for Our Friends in Need

Please remember in your prayers all those affected by the recent natural disasters that have occurred in our world. Please especially remember **Douglas and Marikay McHoul and Jake Wiegard** who were on Vieques Island, Puerto Rico during Hurricane Maria. May God hold them and keep them safe!

### IMPORTANT NOTICE

The Building Commission of the Archdiocese of New York will complete its annual asbestos inspection at Saint Denis-Saint Columba School soon. Please know that ALL asbestos is intact in accessible areas, thus providing a safe environment for all who are in the school building.

### URGENT: Hot Lunch Volunteers Still Needed

SDSC Hot Lunch Program is completely run by volunteers. In order to keep the Hot Lunch Program running every school day, additional Kitchen Volunteers are needed. The Kitchen Volunteers prepare and serve the food to the students (10:00 a.m. - 1:00 p.m.) This is a once or twice a month commitment for the school year. Even just helping a couple of times during the school year makes a difference. We have an immediate need to fill the following openings:

09/25 Monday  
09/28 Thursday  
10/03 Tuesday  
10/05 Thursday

If you're available for one of these openings, one day monthly during the school year, and/or have any questions, please contact Judy Boulton via text at 914-474-3035 or by e-mail at [lunchprogram@stcolumba.net](mailto:lunchprogram@stcolumba.net). Thank you for your support.

### Top Tastes of the Town – Tuesday, September 26

### **Paul Effman Music Program**

Students again have the opportunity to participate in our school band program provided by Paul Effman Music Service. If your child is interested in participating, please return the registration form ASAP. Band lessons are held after school on Tuesdays. The first lesson will be on Tuesday, October 3<sup>rd</sup>.

### **Magazine Drive Ends on Friday!**

Last year our Magazine Drive was a great success, raising over \$2,000 for the school. This year's magazine drive ends on September 29<sup>th</sup>. Any family who sells 4 or more magazines will receive an Ice Cream Party, and families who sell 10 or more will receive a NUT award for each child in the family. Plus, don't forget to complete and return the "Reach Out Booklet" to receive a prize. Remember that electronic publications are available too! Although the official "drive" ends on Friday, you can purchase or renew publications anytime on our website at [www.stcolumba.net](http://www.stcolumba.net) under "Magazine renewals and Sales." SDSC receives funds for every publication!

### **Box Tops for Education – Classroom Contest!**

We want to make the 2017-2018 School Year our most successful year for our Box Tops for Education Program! Our goal is \$1,000. To reach that goal we will need to collect **10,000 Box Tops**. You might think it's impossible but our SDSC Community can do it!

A flyer will be attached to the Family Newsletter once a month. Attach an unexpired Box Top to each space on the flyer and return the flyer to your class. Be sure to put your child's name and class on the back of the flyer! Each class's submissions will be tallied on a quarterly basis and **a prize will be awarded to the class collecting the most Box Tops**. This quarter will end on Friday December 15. **The prize for the class with the most box tops will be extra recess for an entire week!** To track our progress, look for the thermometers in the hallway.

### Notes from the Health Office

#### **Head Lice**

With the continual fluctuation of the weather it is important that we once again take all the preventative measures necessary regarding lice. Wherever large groups of people are gathered, there is the potential for the spread of head lice. The best way to prevent the spread of head lice, especially among girls, is to wear their hair tied back in a ponytail or braids. In addition, hats and scarves, combs and hairpieces should never be shared.

Head lice are not the result of poor hygiene. In fact, lice prefer clean hair. Symptoms of head lice include tickling feeling in the hair, frequent itching and difficulty sleeping. Head lice are most active in the dark. If you have any questions, please contact Nurse O’Connor at 845-226-8470.

#### **Fevers**

Please do not send your child to school if he/she has a fever, or has had one within 24 hours before the start of school. It may seem harmless enough, but assume any fever is a symptom of a contagious condition. Children sent to school with fevers, even those treated with fever reducing medicines, can easily spread illnesses to other children.
